

# Thank you for your donation of 6 skateboards, Volkswagen!

**“On behalf of Carers MK and the young carers we would like to thank you and the donators for the beautifully decorated skateboards.**

**The young carers were all thrilled to receive the skateboards and very eager to try them out. This is the perfect time for them to receive them at the start of the summer holidays and perhaps they will watch the Olympic street skating and be inspired by the creativity and fun of the sport! This donation will allow this group of young carers to enjoy getting out with peers to be active and share the positivity of trying something new.”**

**- Sue Ackerley, Young Carer and Young Adult Carers Team Leader**
