

Thank you for your donation of 5 skateboards, VMO2!

**Sport
Birmingham**

“The skateboards will give the children who attend youth clubs and HAF camps a new activity to try, giving them the opportunity to try sports they would never have tried before.” - Dan, Senior Partnerships Manager

“It's something I never wanted to do because I was scared of falling off but I learnt how to balance with my arms out, I'm so happy because I've never used a skateboard before and now I want to do it more.” - Young Person
